Foundation Level 1 Workshop Esoteric Acupuncture Energy Practitioners

with Dr. Mikio Sankey, Ph.D., L.Ac.

"Esoteric Acupuncture is not just for acupuncturists, but is applicable in every day life by anyone who desires to awaken their higher spiritual aspects and to live a life that is more fully attuned to the changing energy shifts of the New Millennium. You can use the principles presented in these materials as tools to assist in that awakening." Mikio Sankey

A Paradigm Shift: Strengthening Wellness vs Treating Disease

Why try to get healthy only after you are sick?

Esoteric Acupuncture encompasses a much broader spectrum of healing and emphasizes the Wellness Stage versus the Disease Stages of the older systems of meridian therapies. The real power of Esoteric Acupuncture is to harmonize and strengthen the body systems before a disease stage.

Can the problems of the 21st Century, the Age of Aquarius be adequately handled by solutions developed in the Age of Pisces? Our society is much more complex than only a few years ago. Esoteric Acupuncture was developed to address the complex imbalances of people today imbalances on the physical, etheric, astral, mental, causal, buddhic, atmic and monadic planes.

The focus of Esoteric Acupuncture and Energy Practitioners is to harmonize and balance energy centres known as chakras (especially the Heart chakra) and to raise the level of one's consciousness. Esoteric Acupuncture requires that one opens the Heart chakra to rely on the higher intuitive power of the Heart and Head chakras, rather than merely relying on the academic left brain.

During this two-day Foundation Level 1 Workshop, Dr. Sankey will:

- Discuss the energetics and information stored in each of the seven major chakras, and show the participants a working model of how to treat their clientele.
- Present Sacred Geometry, especially the importance of the energetics of 3-6-1 and its relationship to acupoints, the Qabballah, Platonic solids and how this particular numbering sequence is our interconnectedness to everything.
- Teach how to find imbalances by using a pendulum.
- Discuss the major acupuncture points of Esoteric Acupuncture.
- Have time for hands-on practice and demonstrations of New Encoding Patterns.
- Treating chakra imbalance, align Qi so it flows smoothly to the Crown and Higher Realms
- Explore how to build your Antahkarana, your 'Rainbow Bridge' to higher consciousness

"Sharing information and knowledge is an outward movement of Qi, which in turn allows the opportunity for an inward flow, or more Qi. In my own personal growth, I have always found that if I share the most esoteric knowledge and Wisdom I have, that I will always move upward to a higher plateau of knowledge and Wisdom."
